

Media Contact Information To Arrange for An Interview To Arrange for An Expert Speaker or Opinion

In an effort to answer questions as quickly as possible, The GOD'S CHILD Project and our affiliated and supported programs around the world welcome contact from members of the media, universities and other schools, churches of all denominations and creeds, and community groups and leaders.

In addition, GOD'S CHILD Project team members are experienced small and large group presenters, expert court witnesses on select topics, and knowledgeable about regional and world affairs.

Our work to break the bitter chains of poverty through education, housing, and healthcare depends on the public being aware of the dangers of homelessness, human trafficking, and the other risks our kids face every day.

If you are a member of the media or another group and would like more information about The GOD'S CHILD Project's lifesaving work, or to arrange an interview or a speaker for your event, please contact:
